

## Gregory P. Hall, CPA, CMA, CFM

### Member of the Firm

Greg provides accounting, consulting, auditing, and tax services to healthcare, nonprofit, governmental, and real estate development clients. His experience with these clients includes:

- Consulting on accounting and auditing issues
- Medicare and Medical Assistance cost report preparation
- Consulting to Federally Qualified and Rural Health Centers related to operational issues
- Preparation of Form 990
- Consultation related to unrelated business income tax
- Compliance with low-income housing tax credit programs

Greg has used his experience and expertise to educate others by participating as an instructor for the firm's continuing education programs related to healthcare and nonprofit accounting and auditing matters. He joined the firm in 1990 and was admitted as a Member in 2006.

Greg has been invited to present educational seminars for the Pennsylvania Association of County Affiliated Homes, Healthcare Financial Management Association, and has served as an adjunct faculty member for Wilson College, teaching courses on government and nonprofit accounting and auditing.
