STRENGTHENING PUBLIC TRUST WITH EXPERT GOVERNMENTAL SERVICES

For over 60 years, SEK has provided specialized services to governmental entities, delivering solutions that not only meet but also exceed the standards of accountability and efficiency required by the public. With our extensive experience working with more than 180 governmental entities, we transform our profound knowledge into actionable advice, innovative suggestions, and fresh ideas that drive progress and enhance community services.

Our team of experts receive specialized training tailored to the needs of governmental entities. Bringing valuable insights gained from their work across the sector, our professionals execute their tasks with precision to improve your operations. We demonstrate our commitment to education and knowledge-sharing through our participation in various speaking engagements and our annual governmental seminar, which addresses current topics impacting governmental entities, including:

- Cities, towns, and boroughs
- Townships, counties, and municipal authorities
- Colleges and universities
- School districts, intermediate units, vocational-technical and charter schools
- Tax bureaus and state agencies
- Conservation districts and more
