

Manufacturing & Distribution

POWERING SUCCESS IN MANUFACTURING & DISTRIBUTION

In the dynamic realms of manufacturing and distribution, navigating challenges requires more than just hard work—it demands operational acumen, strategic foresight, and flawless execution. With over 50 years of dedicated service, SEK has developed unparalleled insights into the manufacturing and distribution sectors. Our deep understanding of how businesses design, produce, and market products positions us uniquely to offer tailored services that drive success.

TAILORED SOLUTIONS FOR MANUFACTURING & DISTRIBUTION CHALLENGES

As your industry evolves, so do your needs. We've designed our suite of services to elevate your operational efficiencies and strategic planning:

- **Audit and Assurance Services:** Gain confidence and ensure compliance with our comprehensive audit and assurance offerings.
- **Business Valuation:** Discover the true value of your enterprise for informed decision-making and strategic planning.
- **Mergers and Acquisitions:** Navigate complex transactions with expert guidance, from due diligence to successful integration.
- **Tax Planning and Compliance:** Maximize efficiency with our tax strategies, including multi-state and local tax filings.
- **Research & Experimentation Tax Credit:** Leverage significant savings with our focused expertise on R&E credits, unlocking potential for innovation and growth.
- **Capital Budgeting and Analysis:** Make informed investment decisions with our expert capital management advice.
- **Cash Flow Forecasts and Projections:** Secure your financial future with accurate forecasting and actionable insights.
- **Employee Benefit Plan Design and Implementation:** Attract and retain top talent with customizable benefit plans for your workforce.

We proudly offer specialized services in state and local tax solutions, inventory accounting, process optimization, and more, to ensure every aspect of your business is covered.

A PARTNER IN YOUR INDUSTRY'S COMMUNITY

As a proud member of the Manufacturers' Association, SEK is not just an advisor but a partner within the manufacturing and distribution community. With this affiliation, we enrich our knowledge and connect with over 900 members across the state, fostering a collaborative network dedicated to industry advancement.

Manufacturing and distribution companies stand to gain significantly from the R&E Tax Credit. Often underutilized, this benefit can be a game-changer, offering substantial savings that support innovation and growth. At SEK, we place a strong emphasis on this opportunity, guiding you through the complexities to ensure you maximize potential returns.
