

QUICKBOOKS CONSULTING & PROADVISOR SERVICES

QuickBooks is one of the most widely used accounting software platforms for small and mid-sized businesses, but getting the most out of QuickBooks requires proper setup, training, and ongoing support. SEK's Certified QuickBooks ProAdvisors help you accurately manage your financial data, save time, and reduce errors.

With SEK, you'll receive the Elite Solution Provider Advantage. Access exclusive benefits through our QuickBooks Elite Tier status, including preferred pricing, advanced support, and expert guidance.

Setup & Implementation

Getting QuickBooks set up correctly from the start is critical. Our ProAdvisors handle chart of accounts (COA) setup, bank and credit card connections, payroll configuration, and initial data entry to ensure your books are accurate and your workflows are efficient.

Training

Our team of Certified QuickBooks ProAdvisors provides customized QuickBooks training for business owners and their accounting staff—covering everything from daily bookkeeping tasks to more advanced features like job costing, inventory management, and financial reporting.

Ongoing Support

As your business grows and your needs change, we're here to help. From troubleshooting unusual transactions to helping you take advantage of new QuickBooks features, SEK's ProAdvisors provide the ongoing support you need to keep your books in order.

Integration with Tax & Accounting Services

Because SEK also provides [tax preparation](#), [bookkeeping](#), and accounting services, our QuickBooks support integrates seamlessly with your broader financial picture—making year-end tax preparation faster and more accurate.
