
Scrutiny on employee benefit plans is increasing, including a substantially higher focus by the American Institute of CPAs (AICPA) and Department of Labor (DOL) on firms that perform employee benefit plan audits. It is critical to have a highly-skilled and qualified firm performing your annual employee benefit plan audit.

WHY CHOOSE SEK?

- Our focus and expertise in auditing employee benefit plans places us in an exceptional position to provide high-quality services at a fair price.
- Our firm has a separate Employee Benefits Division, which performs third party administrations for over 400 pension plans, providing additional insight and expertise.
- Our team regularly attends annual AICPA conferences to stay up to date with the latest changes.
- We have been a member of the AICPA Employee Benefit Plan Audit Quality Center since its inception.
- Located in your market and decisions are made here.
- Audit approximately 70 plans annually.
- Maintain relationships with retirement plan specialists that can provide plan design advice and other fiduciary consulting services.
- Offer management advice to assist our clients in enhancing their internal procedures, increasing the efficiency of plan operations.
- SEK Team Leaders are qualified by the AICPA to review other firms' Financial Benefit Plan Audits in the peer review quality monitoring program.
