SEK 2023 Impact Report

“We need...

“You help us **save lives**, and we couldn't do this important work without the support of our generous sponsors.”

“The animals are **lucky to have** you in their corner.”

“On behalf of the children, families, child care programs and communities served, thank you for your **generous sponsorship**.”

“We **cannot do what we do** without your support!”

“You are part of **making real change**, right here.”

“Your **gift keeps giving** through the lives it changes.”

...committed givers like you.”

At SEK we believe in giving back to the communities where we live and work. Employees in each office have the opportunity to participate in charitable events that help support their local communities. Community involvement is a great way to give back, encourage team spirit, and build company pride.
