

# Employee Benefit Plan Audit

Scrutiny on employee benefit plans is increasing, including a substantially higher focus by the American Institute of CPA's (AICPA) and Department of Labor (DOL) on firms that perform employee benefit plan audits. It is critical to have a highly-skilled and qualified firm performing your annual employee benefit plan audit.

## WHY CHOOSE SEK&CO?

### Insight

- Our focus and expertise in auditing employee benefit plans places us in an exceptional position to provide high-quality services at a fair price.
- Our firm has a separate Employee Benefits Division, which performs third party administrations for over 300 pension plans, providing additional insight and expertise.

### Integrity

- Our team regularly attends annual AICPA conferences to stay abreast of the latest changes.
- We have been a member of the AICPA Employee Benefit Plan Audit Quality Center since its inception.

### Results

- Located in your market and **decisions are made here.**
- Audit approximately 60 plans annually and perform approximately 60 peer reviews annually, regularly finding deficiencies within pension audits performed by other firms.
- Maintain relationships with retirement plan specialists that can provide plan design advice and other fiduciary consulting services.
- Offer management advice to assist our clients in enhancing their internal procedures, increasing the efficiency of plan operations.
