CPA

Supervisor

Assurance & Advisory

kgolden@sek.com

301.733.5020

With over seven years of experience, Kayla specializes in supervising client engagements and delivering comprehensive audit and review services. She manages the entire audit process, from collecting deliverables and addressing client inquiries to finalizing audit reports. Kayla's expertise spans a range of clients, including ERISA, commercial, manufacturing, and construction sectors. In addition to her client responsibilities, Kayla assists with the firm's summer leadership program titled ExploreSEK, trains department staff, and is a member of the Emerging Professionals Committee.
