717.263.3910

Todd has more than 25 years of experience in public accounting with a focus on providing consulting, tax planning, and tax preparation services for individual and business clients. Todd specializes in working with construction clients. In 2014, he joined an elite group of professionals recognized for their superior understanding of the industry's financial opportunities and challenges as a Certified Construction Industry Financial Professional (CCIFP). Beyond his focus on the construction industry, Todd works with closely-held businesses, family-owned businesses, and individuals owning multiple related entities.
